- 4 Secured Borrowings from the below mentioned banks have been transferred / assigned to financial institution together with all their rights, title and interest in the financial documents and any underline security interest/pledges and /or guarantees in respect of such loans.

| Name of Bank         | Date of Loan<br>Transferred | Name of Financial Institution                           |
|----------------------|-----------------------------|---|

| Punjab National Bank | 31/03/2016                  | Invent Assets Securitization & Reconstruction Pvt. Ltd. |

Further the company has stopped making provision for interest on such borrowing from the date of transfer due to non execution of agreement with Asset Reconstruction Companies (ARC) and hence due to non availability of agreement with Asset Reconstruction Companies (ARC), the company has taken the CDR – 2 orders and Settlement agreement already entered into by the company as base for classification of current / non-current liability and default of total borrowing.

- As at the Quarter end the Company has accumulated losses and its net worth has been fully eroded. The Financial results indicate that the Company has net loss during the previous year and the Company's current liabilities exceed its current assets as at the current quater and previous year balance sheet date. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a "going concern". However, the financial results of the Company have been prepared on a going concern basis based on that the Company is actively negotiating with the ARC / lenders for settlement.
- **6** Reconciliation of results (Stand alone ) between previously reported (referred to as "Previous GAAP" and IND AS for the quarters are presented as under :
